Agency Case #: 8201121326

On January 12, 1982, the unidentified human remains of a Black male were discovered in a wooded lot near the intersection of Clear Springs and Mascot roads in Knoxville, Tennessee. The victim's remains are believed to have been in the woods for approximately 10 months. The victim appears to have been homeless and/or transient, and died from a gunshot wound to his head. For additional information regarding this victim, refer to the National Missing and Unidentified Person System (NamUs) missing persons' database, case report number UP#1581.

To provide or request additional information, please contact Criminal Analyst Amy Dobbs, Knox County Sheriff’s Office, Knoxville, TN, at 865-215-3705 or amy.dobbs@knoxsheriff.org, or FBI ViCAP at (800) 634-4097 or vicap@leo.gov.

Contact ViCAP for information on how your agency can obtain access to the ViCAP Web National Crime Database.
