

**THE MONTHLY MAILING OF UNIFORM
CRIME REPORTING FORMS
WILL SOON BE COMING TO AN END!!**

Since 2010 the FBI Uniform Crime Reporting (UCR) Program has been letting you know of the mandate to eliminate the submission and dissemination of hard copy UCR Program materials. As of July 2013, the UCR Program will no longer supply monthly mailings of UCR forms to law enforcement agencies (LEA). To assist LEA with meeting the paperless mandate, in September 2012 the UCR Program sent a letter identifying the available options for submitting data in an acceptable electronic format and also stated LEA demonstrating a credible plan for migrating to an electronic format would be granted a 12-month extension. Therefore, as of July 2013, the FBI will stop mailing hardcopy-issued FBI forms. LEA that have provided a “Credible Plan” and plan to continue use of the forms, will find them available at <http://www.fbi.gov/about-us/cjis/ucr/reporting-forms>.
