THE DETAILS

Reachelle Smith is missing under suspicious circumstances. She was last seen at her residence in Minot, North Dakota, by her guardian at approximately 1 a.m. on May 17, 2006. When the guardian awoke the next morning and found Reachelle gone, the guardian's male roommate stated that Reachelle would be spending a few days with his mother, with whom the child has a grandmother-type relationship.

On May 22, the guardian awoke to find the roommate missing, along with her own van. She called police to report the missing child and roommate. The roommate was later found dead in the van, by an apparent suicide, outside of Minot. Reachelle was not inside the van.
