The 2020 FBI San Antonio Division Teen Academy will welcome high school sophomores/juniors/seniors to San Antonio FBI headquarters on Wednesday, August 5 from 8:30 a.m. to 4:30 p.m. Punctuality, professional behavior and appropriate dress will be required of all students attending this program.

The program is not exclusive to students interested in criminal justice. Due to the vast diversity in our workforce, any student with an interest in the FBI, what we do and how a relationship with the FBI can help their school is encouraged to apply. All students will be evaluated based on their application (GPA, school activities and community involvement) and essay to determine which students will be offered a seat in the class. None of the above elements will be the sole basis of evaluation of an application and the application process should be taken seriously by all applicants.

This application and supporting essay must be received at the following address by 4 p.m. on Monday, July 6, 2020. Incomplete and late applications will not be accepted.

Frequently Asked Questions Regarding the FBI Teen Academy

Q. Is the program only for high school students (sophomores/junior/seniors)?

A. Yes, the program has been designed for high school students to ensure that they have at least one year remaining in their academic career at the school. This enables students to share the information they have learned and serve as peer mentors, when appropriate.

Q. Is the essay important?

A. Yes, the essay is important as it is often the first element of the application package that is reviewed by our panelists. This is an opportunity for the student to explain why they should attend and what benefit of the class will be beyond the student's own experience. In other words, a high GPA in absence of a well written essay and vice versa can be problematic.

Q. Do 4.0 students get a guaranteed seat in the class?

A. GPA is not the only method of student evaluation and no student will be assured a seat by GPA alone. All students must submit a well-written essay detailing why they want to attend the academy and how the experience will benefit their school as well as have school activities and community involvement that demonstrate that he or she is a well-rounded student.

Q. Is a particular GPA required?

A. GPA is not the only method of student evaluation and a minimum GPA is not stated; however, given the competitive nature of the application process, it is advantageous for a student to have a combination of a good GPA, well-written essay, school activities and community involvement.

Q. Does a student have to have specific experience or interest in law enforcement to be a successful candidate?

A. No, a student does not need to be in a criminal justice program, explorers program, ROTC, etc. The primary objective is to identify students who are capable of leadership and have an interest in what the FBI does.

Q. Is this experience similar to an internship?

A. The FBI Teen Academy is not an internship and while students may be offered case studies drawn from adjudicated cases, students will not be exposed to active cases or day-to-day investigations.

Q. I love forensic science! Will I get to learn techniques?

A. While students will be exposed to some basic evidence collection techniques during one of the many sessions, the day covers a wide variety of topics from a classroom and experiential perspective as well as concepts that are designed to enhance student awareness of issues such as cybercrime, cyber bullying and more.
