2019 WINTER TEEN ACADEMY APPLICATION

Submit to: Eileen Clark via e-mail, edclark@fbi.gov | (Phone) 310.996.3913

The FBI's Los Angeles Field Office is accepting applications for the **2019 Westwood Teen Academy, on Sunday, January 13, 2019, from 8:00 a.m. to 3:45 p.m.**

If you are a high school student, between 15 to 18 years of age, with a GPA of 3.5 or higher, and residing in the Los Angeles Field Office area, you are welcome to apply to the Teen Academy. Space is limited to 60 students and acceptance is not guaranteed. Application packages are currently available at www.fbi.gov/losangeles, click on Community Outreach, then scroll down to Teen/Youth Academy.

Due to the vast diversity in our workforce, any student with an interest in the FBI, what we do and how a relationship with the FBI can help their school is encouraged to apply. All students will be evaluated based on their essay and application (GPA, school activities and community involvement) to determine which students will be offered a seat in the class. None of the above elements will be the sole basis of evaluation of an application and the application process should be taken seriously by all applicants. The program is not exclusive to students only interested in criminal justice or STEM (Science, Technology, Engineering, and Mathematics).

Punctuality, professional behavior and appropriate dress code will be required of all students attending this program.

Interested students should complete and submit the required application and materials via e-mail to edclark@fbi.gov. Make sure to send application back as a pdf. Doc attachment, and your essay as a word doc., we cannot accept Google Drive, Google Docs, and One Note. You may also send your application via U.S. mail to the FBI's Los Angeles Field Office, Attention: COS Eileen Clark, Office of Public and Congressional Affairs, 11000 Wilshire Boulevard, Suite 1700, Los Angeles, California, 90024. **Applications must be received by 4:00 p.m., December 14th, for panel review. *Incomplete and late applications will not be accepted.***

The Teen Academy offers insight into a number of topics and specialties to include; what is required of all FBI applicants, the importance of making good choices when using online communication platforms, Chief Divisional Counsel, and you will also have a demonstration and presentation from our Firearms Instructor. After completing the class, students are more aware of challenges their communities face, better understand how the FBI serves their region, and are prepared to mentor their peers.

The FBI's Citizens Academy Alumni Association, Los Angeles Chapter, generously sponsors lunch and snacks for all students in attendance. If a student is selected, his or her family is responsible for transportation to and from class.

FREQUENTLY ASKED QUESTIONS

Q. Is the program only for high school students?

A. Yes, the program has been designed for high school students, aged 15 to 18 years, to ensure that they have at least one year remaining in their academic career at the school. This enables students to share the information they have learned and serve as peer mentors, when appropriate.

Q. Is the essay important?

A. Yes, the essay is important as it is often the first element of the application package that is reviewed by our panelists. This is an opportunity for the student to explain why they should attend and what benefit of the class will be beyond the student's own experience. In other words, a high GPA in absence of a well written essay and vice versa can be problematic.

Q. Do 4.0 students get a guaranteed seat in the class?

A. GPA is not the only method of student evaluation and no student will be assured a seat by GPA alone. All students must submit a well-written essay detailing why they want to attend the academy and how the experience will benefit their school as well as have school activities and community involvement that demonstrate that he or she is a well-rounded student.

Q. Is a particular GPA required?

A. Although a minimum GPA is stated, a GPA is not the only method of student evaluation. However, given the competitive nature of the application process, it is advantageous for a student to have a combination of a good GPA, well-written essay, school activities and community involvement.

Q. Does a student have to have specific experience or interest in law enforcement to be a successful candidate?

A. No, a student does not need to be in a criminal justice program, explorers program, ROTC, etc. The primary objective is to identify students who are capable of leadership and have an interest in what the FBI does, as well as an interest in STEM.

Q. Is this experience similar to an internship?

A. the FBI Teen Academy is not an internship and while students may be offered case studies drawn from adjudicated cases, students will not be exposed to active cases or day-to-day investigations.

Q. I love forensic science! Will I get to learn techniques?

A. While students will be exposed to some basic evidence collection techniques during one of the many sessions, the day covers a wide variety of topics from a classroom and experiential perspective as well as concepts that are designed to enhance student awareness of issues such as cybercrime, counterterrorism, counterintelligence, and more.
