DETAILS

The FBI Cleveland Violent Crime Task Force and the Cleveland Police Department are seeking information from the public regarding the mysterious disappearance of 27-year-old Rajah Adriana McQueen. McQueen was last seen in her 2018 Nissan Sentra at approximately 7:30 a.m., on June 26, 2021, in the area of E. 131st and Harvard Avenue in Cleveland, Ohio. Her car was later observed being driven by another individual with two new bullet hole defects, one in the roof and one in the rear passenger door. The vehicle's appearance had been altered by the removal of the hubcaps and her license plate, and a "dealer" plate was visible in the rear window.
