## Seeking Information on Benghazi Attacks

The United States Federal Bureau of Investigation appreciates that the Libyan people and the government of Libya have condemned the September 11, 2012 attacks on U.S. Special Mission personnel and facilities in Benghazi, Libya.

The FBI is now asking Libyans and people around the world for additional information related to the attacks, which resulted in the deaths of four Americans, including the U.S. ambassador to Libya.

We are seeking information about three individuals who were on the grounds of the U.S. Special Mission when it was attacked. These individuals may be able to provide information to help in the investigation.

We need your help to solve this crime. If you have any information, text or e-mail [BenghaziTips@ic.fbi.gov](mailto:BenghaziTips@ic.fbi.gov) or submit information confidentially at <https://forms.fbi.gov/benghazi-en>.
