On 05/20/1981, Dale Eugene Kelley, a student and football player at American River College in Sacramento, CA, left his residence driving his orange 1976 Toyota Celica (California plate 598TIH). Kelley was heading to Los Angeles, CA, to visit his then girlfriend. When he did not arrive that afternoon, his girlfriend contacted Kelley's roommates who told her he left that morning. Kelley has not been seen or heard from since. Two weeks later, on 06/04/1981, Kelley's vehicle was located abandoned in New Orleans, LA. Inside the vehicle was a "Pat O'Brien's" postcard, a book entitled "Texas" and a map of Texas.

Family DNA references are in CODIS. No fingerprints or dentals are available for Kelley.
