

**ViCAP ALERT:  
MISSING PERSON**

Attention: Homicide, Missing Persons, Sex Crimes and Crime Analysis Units

**Missing Person—Parkersburg, WV**

**Kimberly Sue JONES**  
**Missing since 02/03/2009**

**Race:** White      **Height:** 5'0"-5'2"

**Sex:** Female      **Weight:** 110-115

**Hair:** Brown      **Eyes:** Blue

**Age at time of disappearance:** 25

**Distinguishing Characteristics:** Jones has a scar in the center of her neck, a half circle scar on her left arm, a discolored skin birthmark on her buttocks, and a tattoo on her right shoulder of a red rose with the name "Kimmie Sue" and the stem which had the name "Jack."

**Details of Disappearance:** Jones was last seen by neighbors at 11:00 a.m. on the morning of 02/03/09. Jones was seen leaving her apartment with her 6 year old daughter, her ex-husband and his new wife. Jones had told her family that she was planning on spending the day with them. Jones was reported missing five days later by her mother when she was unable to make contact.
