On July 15, 1991, Katherine Dolan Heckel was last seen as she left her place of employment for lunch. Heckel's vehicle was found abandoned in the parking lot of the local hospital on July 18, 1991. Heckel has not been seen or heard from since and evidence suggests foul play is involved in her disappearance. For additional information and photographs regarding this victim, refer to the National Missing and Unidentified Persons System (NamUs) missing persons database, case report number MP# 14211.
