NamUs #: UP2926

On June 5, 1991, the body of an unidentified female was found in a room at the Super 8 Motel located near I-40 and I-25 in Albuquerque, NM, after check-out was not completed as scheduled. There was no identification for the woman with her belongings. She was wearing a "Trends" brand multicolored (white/pink/red/yellow) tank top; size 31 "Guess Product" by "George Marciano" white denim pants; 3-inch silver loop earrings; and a wide metal bracelet. A dark-colored purse and suitcase with women's clothing were also found in the room.

Based on a recent tip, investigators believe the woman's name is "Becca." She was reportedly from the Los Angeles County area (possibly Reseda or Sylmar, CA) and flew from either Los Angeles or Burbank, CA, to Albuquerque, NM. Anyone with information regarding this case is asked to contact the Albuquerque Police Department.
