

**ViCAP ALERT:
UNIDENTIFIED HOMICIDE VICTIM**

Attention: Homicide, Missing Persons and Crime Analysis Units

Remains found on 01/12/2004 in Woodburn, OR

Race: Hispanic or White

Sex: Female

Age: 20-35

Height: 4'10" – 5'3"

Weight: Slightly obese

Hair: Black

Eyes: Brown

Distinguishing Characteristics: Hair in ponytail with bangs. Unerupted third molars. Metal rod in left leg, 14" long, 1/2" diameter, inserted into medullar cavity of the femur. Rod is determined to have been implanted in Mexico, and the victim's dental work appears to have been done outside of the U.S.

Clothes/Jewelry/Possessions: Purple fingernail polish on some fingernails; gold fingernail polish on toenails. XOXO-brand denim jacket with two breast pockets and metal buttons. L.E.I-brand jeans. Loveable-brand bra, size 36C. Victoria's Secret-brand thong, size large. Ralph Lauren-brand white ankle socks with a flag printed on the ankle portion over the words "Polo Jeans."

Details of Discovery: Victim was found in a field adjacent to Interstate-5, in a rural, semi-wooded area. She had been deceased for 5-8 months. Cause of death is undetermined but manner of death was homicidal violence.
