On 02/19/1991, the remains of an unknown white male were discovered in an alley bordering a residential area of Inglewood, CA (Los Angeles County). The victim was found lying in a dumpster and was partially concealed by trash.

The victim appeared to be a Caucasian male, approximately 55 to 75 years old, 6'0" tall, 155 pounds, with receding, brown hair and a brown mustache. The victim had several scars that were believed to be from past surgeries regarding damage to the interior chest cavity, potentially related to a past traffic accident. The victim was recovered wearing a unique belt (see sketch above).

Investigators are asking anyone with information regarding the case or identification of the victim to contact the Inglewood Police Department.
