Agency Case #: IR #2019-015184

On 05/20/2019, Maricopa County Sheriff's Office detectives recovered the skeletal remains of an unidentified male in the outlying area of Wickenburg, Arizona. Several buttons and a manufacturer's tag located with the body showed the victim was potentially wearing a military style jacket. Other evidence collected at the scene determined the decedent died by manner of homicide. The medical examiner provided a time of death ranging from 5 - 25 years and a forensic composite sketch was provided to depict the speculated appearance of the decedent.
