

**ViCAP ALERT:
UNIDENTIFIED HOMICIDE VICTIM**

Attention: Homicide, Missing Persons, Sex Crimes and Crime Analysis Units

Unidentified Remains—Shepherdsville, KY

Race: White
Sex: Male
Age: 18 - 22
Height: 5'6"-5'7"
Weight: 140-150

Hair: Brown, Auburn
Eyes: Unknown
Facial Hair: Moustache
Recovered: 05/09/1976
Blood Type: A Negative

Details of Discovery: On May 9, 1976, the body of a young white male was found, badly burned and partly decomposed. It is possible that the victim may have been a mechanic who specialized in Volkswagens and may possibly be from Canada.

Clothes/Jewelry/Possessions: No jewelry or identification was found on body. The victim was wearing a blue fishnet undershirt, a white cotton western style shirt with snap buttons, and light blue cotton denim jeans. No belt was found on the jeans. The victim was found with no shoes or socks. The victim's actual shoe size is 7.5E, but he more than likely wore 8D.
