CAUTION

James Alexander Ward is wanted for his alleged involvement in a precious metals fraud scheme that operated in Florida from September of 2007 to March of 2010.

Ward allegedly operated an entity called Kastle & Hawk, Inc., which solicited investors to buy precious metals such as gold, silver, and platinum on a leveraged basis. Instead of investing the approximately \$400,000 Ward received from at least 12 investors, Ward allegedly used the money for his own personal use and benefit. No precious metals were ever acquired for investors.

A federal arrest warrant was issued for Ward in the United States District Court, Southern District of Florida, Miami, Florida, on September 6, 2012, after he was charged with wire fraud.
